

Customer Inquiry RTP/Asher DEMO Test Requirements Survey

Please provide as much information as possible in the following survey and email it to sales@allwin21.com / allwin21corp@gmail.com. The more complete and accurate your responses are, the better we can arrange the DEMO/Test to meet your specific needs, based on our 45 years of RTP/Asher experience and thousands of successful installations worldwide. A thorough survey will help ensure the best test results, identify potential issues, and guide you in selecting the most suitable equipment model and configuration, ultimately improving work efficiency and performance. We greatly appreciate your time and effort..
